SPECIAL RULES:

► **Bold (Science)**

Whenever Urotoxa attempts a task with Science, and she buys one or more d20s, she may re-roll a single d20.

► **Investigating Ancient History**

Prior to participating in an away team mission, Urotoxa may prepare by conducting a research task. If successful, Momentum may be spent to allow her to substitute her Science department with any other, during any task to navigate or traverse difficult terrain or unknown space during the mission. Each point of Momentum spent from the research task in this way allows for one such substitution.

► **Subject Matter Expert**

When Urotoxa engages in a social conflict using deception or persuasion, she may use Science in place of Command so long as her knowledge of Nausicaan archaeological history and culture is used to mislead her opponent.
